"Maximizing your Intellectual Potential
through Higher Education"

Call for Presentations

Engaging Workshops

Innovative Panels

Dr. Rita Fields is a faculty member at the University of Michigan School of Management in Flint, Michigan and an adjunct professor of healthcare administration at Central Michigan University. Dr. Fields offers expertise on human resources and strategic business issues through Copper Phoenix Consulting, LLC and is the CEO of 313 Industries, a CNC machining and milling corporation.

We are looking for exciting areas of research including engineering, natural and social sciences. Presenters can display their work using a Poster or Oral presentation. Due Sept 5, 2018

- Graduate School Expectations
 - Becoming a Faculty Entrepreneur
 - Strategies for Navigating the Dissertation Process
 - Teaching Portfolio & Philosophy
 - Academic Job Searching
-
- Persistence and Financial Planning for Graduate School
 - Getting the Mentorship You Need

This conference supported by the National Science Foundation under The Michigan AGEP Alliance for Transformation (MAA): Mentoring and Community Building to Accelerate Successful Progression into the Professoriate # 1305819.
