

# 2020 AGEP Student Success Conference

Presents:

Health Disparities in Minority Communities and Intervention Strategies  
October 23, 2020 at 4:00 PM-5:00 PM ET

Plenary Speaker Dr. Paul Elam

MSU AGEP Learning Community will feature Dr. Paul Elam (MSU Alum). His presentation, “Health Disparities in Minority Communities and Intervention Strategies” will discuss some of the complex reasons why minority groups, especially African-Americans are dying in higher rates due to COVID-19.

Dr. Elam serves as MPHI’s Chief Strategy Officer. He is responsible for aligning the priorities of MPHI with national interests as well as diversifying the Institute’s portfolio to address cutting edge issues that affect the health and well-being of our society.

This event will be valuable for any graduate student, post-doc, faculty member or community leader interested learning about what role academics can play in the positive shaping of policy as well as how has the public health profession is evolving now.
