Join us for the virtual AGEP Student Success Conference, November 5-6, 2021. The AGEP Student Success Conference hosted by the MSU AGEP Program is cross-disciplinary experience, full of scientists, engineers, social scientists, policy makers and community leaders and students.

MSU AGEP is MSU's premier graduate education learning community for diversity, equity and inclusion. We hope you and your colleagues can join us the first weekend of November.

We will be delivering STEM and social science research clearly for the general public and focusing on 9 areas of social impact. We are offering several workshops to help students, post-docs and faculty members take their career to the next level. We have new workshop speakers listed on our [speaker line-up!](#)

The Alliances for Graduate Education and the Professoriate (AGEP) program at Michigan State University (MSU) was started with funding from the National Science Foundation. The MSU AGEP program supports recruitment, retention, and graduation of underrepresented students in advanced degree programs in the natural and social sciences, mathematics, and engineering.
