

# Achievement Survey

the AGEP Community needs your support!

Please complete by **Friday, February 1, 2013**

Take a moment to complete the Achievement Survey -- it's not that bad. Really.

This brief survey has two purposes, the first is meant to gather demographic information regarding AGEP Community members (needed for our annual report).

The second purpose is to capture the achievement each member obtained while in graduate school at Michigan State University and involved the AGEP Community.

To make it easier, you can upload your updated CV at the end of the survey. Your information will be stored securely.
