

2024 GRFP Fellowship Application Workshop

September 9, 2024

6:00 pm – 7:30 pm (EST),

Presented by

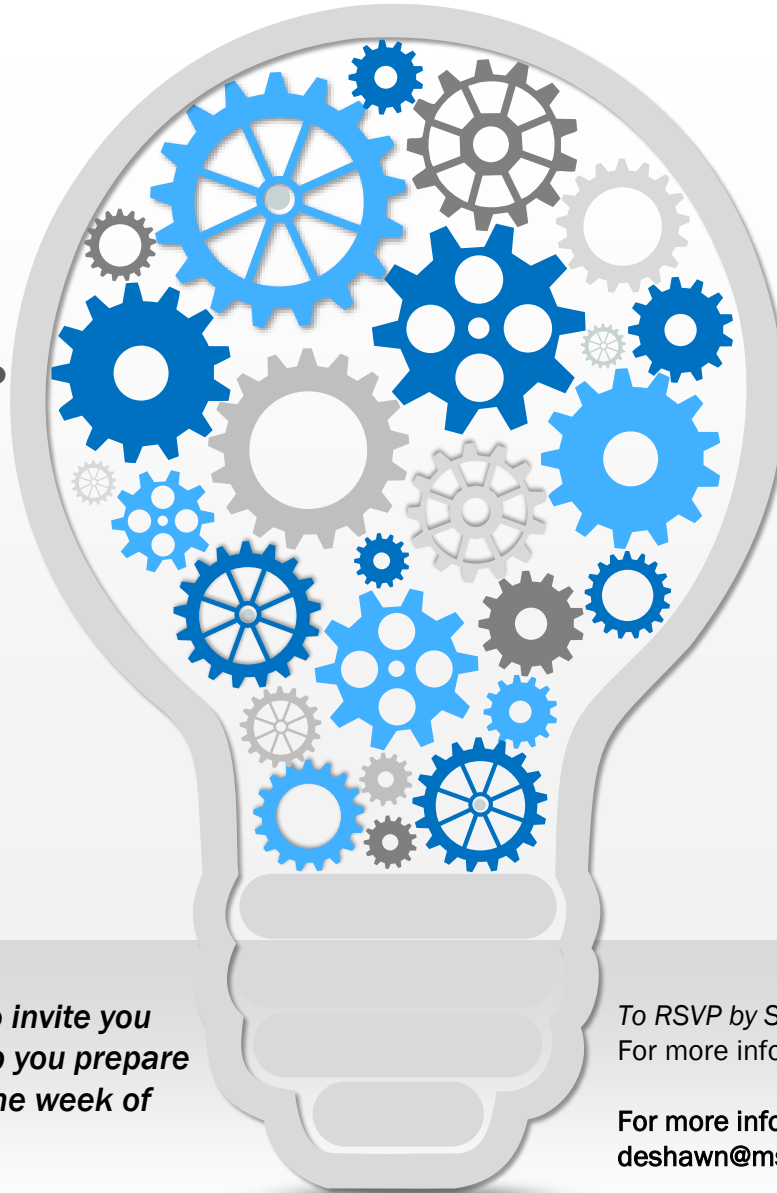

Steven D. Thomas

Michigan State University

MSU AGEP Program

How does GRFP help careers?

- Earn \$37,000 stipend + 12,000 of additional resources
- Gain access to prestigious national facilities
- Invitation to apply to exclusive national GROW and GRIP awards
- Join large alumni network

The National Science Foundation (NSF) Graduate Research Fellowship Program (GRFP) is the country's oldest fellowship program that directly supports graduate students in various STEM (Science, Technology, Engineering, and Mathematics) fields including social science and STEM Education. Rising seniors as well as 1st and 2nd year graduate students are eligible!

Workshop Events:

Sept 9, Sept 10, Sept 17, Sept 24, Oct 1

- Three live-stream events
- Two in-person review sessions
- Virtual feedback from successful award winners
- Special panel with past reviewers and winners

The MSU AGEP Program is pleased to invite you for an online workshop series to help you prepare for the NSF GRFP Applications due the week of October 14, 2024.
