6. University Committee on Graduate Studies Subcommittees

   **Curriculum and Program Review Committee**

   Subcommittee is reviewing a much larger number of requests than in the past and as result is working out a process to evaluate these changes in an efficient manner. This month, the subcommittee reviewed twelve requests. Nine were simple changes in curriculum, one was a deletion, and two were moratoriums.

   The subcommittee made a motion that agenda items 7-18 be approved as a block.

**Academic Research Policy Subcommittee**

Revised travel policy is available to members on D2L. The subcommittee reviewed and voted to endorse it with some additional suggestions.
