

# CONVERSATIONS ON ANTISEMITISM AND ISLAMOPHOBIA

Faculty experts will discuss the history and current manifestations of these prejudices which occur globally, nationally and on college campuses. In addition to discussions of MSU incidents, participants will have the opportunity to share their observations and ideas, while learning to contribute to the inclusivity of MSU's campus community.

Student participation may be used as an Honors Option, please check with faculty. Faculty and Staff attendance may be considered for annual reviews and promotions.

Participants are encouraged to attend all four in-person sessions.
