East Lansing, MI 48824
Congratulations on beginning or continuing your graduate degree at Michigan State University!

Graduate school is one of the most challenging and rewarding experiences you will undertake. Graduate students who embrace wellness and get involved are more successful academically, more likely to complete their degrees, and are more desirable to employers.

Health & Wellness
• Leadership Institute
• Holistic Stress Management

Events & Workshops
• Fall Welcome Cookout
• Recreation and Fitness Classes/Memberships
• Sleep Well-being
• Dissertation Writing Support
• Financial Well-being
• Academic Women's Forum
• Fatherhood Forum
• And more!
