In order to RSVP for MSU-PDA events, you will need to be logged into Google using your MSU credentials. If you are not taken directly to the RSVP form, then you are likely not logged in.

Option 1: If you are not logged into any Google account you may be taken to a Google Sign-in page.

Step 1. Enter your MSU email address, click “Next”

Step 2. Enter your MSU NetID & password, click “Sign In:

Option 2: If you are logged into a non-MSU Google account you may see one of two error messages:

1. Click “Learn More” and follow the instructions to “sign out of your Gmail account” and “sign in with your Google Account for work or school”.

2. Follow the instructions for “Option 2: Sign into your domain”

Still having issues? Email pda@grd.msu.edu with what event you would like to RSVP for and if you have any dietary restrictions, and we will manually add you to the list.
